IMPORTANT NOTICE

Please read your policy carefully before you travel.

- Travel insurance is designed to cover losses arising from sudden and unforeseeable circumstances due to an *emergency*. It is important that you read and understand your policy before you travel as your coverage may be subject to certain limitations or exclusions.
- Your insurance contains *pre-existing medical condition* exclusions for travellers of any age. These exclusions apply to medical conditions and/or symptoms that existed on or before your departure date or *effective date*. Check to see how this applies in your coverage and how it relates to your departure date, purchase date and *effective date*.
- In the event of an *accident, injury* or *sickness*, your prior medical history may be reviewed when a claim is reported.
- You must notify TIC Emergency Assistance (toll free 1-800-995-1662 or worldwide collect 416-340-0049) prior to receiving any *treatment*, if you must cancel, interrupt or delay your *trip*, or you experience any *emergency*. Failure to notify TIC Emergency Assistance as required will delay the processing and payment of your claim and may limit the amount of your claim payment.
- If you are ineligible for coverage, the *insurer's* only liability will be to refund any premium paid. Please check your Confirmation of Coverage to ensure you have the coverage options you require. Payment will be limited to the coverage options you selected and paid for at the time of application. You will be responsible for any expenses that are not payable by the *insurer*.
- If you have been medically underwritten for coverage, you must notify us if your health status or medication changes between the date you complete the application and any departure date or the *effective date* of any top-up or extension. Otherwise, any material change in your health status or medication that might lead to a change in the underwriting decision may result in an amendment of your coverage or may render the coverage null and void.

To help you better understand your policy

Key terms in this policy are printed in *italics* and are defined in the Definitions section on pages 11 to 12.

What am I covered for?

Coverage is different for each plan; to find out what your coverage is, please read the section titled 'Benefits' under the name of the plan(s) you have purchased.

What is not covered?

Travel insurance does not cover everything. Your policy has exclusions, conditions and limitations. You should read your policy carefully before you travel, so that you are aware of, and understand, the limits of your coverage.

Are the costs of my trip arrangements covered?

The costs of your travel arrangements are covered when you purchase coverage under the Trip Cancellation & Interruption plan. Details of your coverage will be shown in your confirmation of coverage.

The benefits payable under this policy are limited to the travel costs that are non-refundable. You may ask your *travel supplier* or agent for details about your non-refundable travel costs.

The non-refundable amount will be assessed on the date the Insured Risk (reason for cancellation) occurred, regardless of the date you actually cancelled your *trip* with your *travel supplier* or agent.

How do I make a claim?

To apply for benefits under this policy, you will need to send a completed claim form (with all original bills attached) to TIC. Please take care in filling out the form, as any missing information may cause delay.

Is my personal information protected?

We are committed to protecting the privacy, confidentiality and security of the personal information we collect, use and disclose. Your personal information, including your medical history, will be collected, used and disclosed only for the purpose of providing you with the requested insurance services. For a copy of TIC's privacy policy, please contact us or visit our website www.travelinsurance.ca.

I want to stay longer. Can I purchase further coverage?

Yes, you can, subject to policy terms and conditions. Just call your agent or TIC (during business hours) before coverage under your policy expires.

To be eligible for further coverage, you must be in good health and you must not have incurred any losses during the first *period of coverage*.

Travel Assistance

TIC or Co-operators Life Insurance Company will use their best efforts to provide assistance for a medical *emergency* arising anywhere in the world. However, TIC, Co-operators Life Insurance Company, and their agents will not be responsible for the availability, quantity, quality, or results of any medical *treatment* received, or for the failure of any person to provide or medical service.

Extended Absence from Canada

The provincial and territorial government health insurance plans limit the time a person can be out of Canada and still remain eligible for coverage. Check your province's health plan for details.

If you exceed your province's limits, you will not be eligible for coverage under this policy.

Claim Submission

The *insured* or the claimant, if other than the *insured*, shall be responsible for the verification of:

1. Any medical costs incurred; and shall obtain itemized accounts of all medical services which have been provided.

Coordination of Benefits

Coverage under this policy is in excess of all or any existing coverage concurrently in force held by or available to the *insured*, including but not limited to homeowners, tenants, multi-risk, any credit card, third-party liability, group or individual basic or extended health insurance or any private or legislative plan of motor vehicle insurance providing hospital, medical or therapeutic coverage. The *insured* may not claim or receive in total more than 100% of the loss caused by the insured event.

If the *insured* named in this policy is retired with an extended health plan provided by a former employer, with a lifetime limit of up to \$50,000, TIC will not coordinate benefits with that provider.

Currency

All amounts stated in the policy including premium are in Canadian currency. At the option of TIC, benefits may be paid in the currency of the country where the loss occurred.

Governing Law

This policy will be governed by the laws of the Canadian province or territory in which the *insured* normally resides.

Language

The parties request that the policy and all related documentation be drawn in English. Les parties demandent que la présente police ainsi que toute documentation pertinente soient rédigées en anglais.

Limit on Liability

It is a condition precedent to liability under this policy that at the time of application and on the *effective date*, the *insured* is in good health and knows of no reason to seek medical attention.

Misrepresentation or Nondisclosure

A failure to disclose or misrepresentation of any material fact by the *insured*, or fraud, either at the time of application or at the time of claim, shall render the entire contract null and void, and any claim submitted thereunder shall not be payable. Where there is an error as to the *insured's* age, provided that the *insured* is within the insurable age limits, the premiums will be adjusted according to the *insured's* correct age.

Premiums

The total premium amount is due and payable at the time of application. The premium is calculated using the most current rates for the *insured's* age on the *effective date*.

Rights of Examination

The claimant shall provide TIC with the opportunity to examine the *insured* when and so often as it reasonably requires while a claim is pending. In the case of an *insured's* death TIC may require an autopsy, subject to any laws of the applicable jurisdiction relating to autopsies.

Right to be Reimbursed

As a condition to receiving benefits under the policy, the *insured* agrees to:

- a) reimburse the *insurer* for all *emergency* medical and *hospital* costs paid under the policy from any amounts the *insured* receives from a third party responsible for the *insured's* injury or sickness whether such amounts are paid under a judgment or settlement agreement;
- b) whenever reasonable, initiate a legal action against the third party to recover damages, which include *emergency* medical and *hospital* costs paid under the policy;

- d) act reasonably to preserve the *insurer's* right to be reimbursed for any *emergency* medical or *hospital* costs paid under the policy;
- e) keep the *insurer* informed of the status of any legal action against the third party; and
- f) advise his or her counsel of the *insurer's* right to reimbursement under the policy.

The *insured's* obligations under this section of the policy in no way restricts the *insured's* right to bring a subrogated claim in the *insured's* name against the third party. Should the *insurer* choose to exercise its right of subrogation, the *insured* agrees to fully cooperate with the *insurer*.

Time

Expiry time of coverage is the time within the time zone where the *insured* was residing when the application was made.

Refunds for Trip Cancellation & Interruption and All-inclusive Package Plans are refundable prior to the date of departure only when:

- a) the *insured* is unable to travel following cancellation of the insured *trip* by the *travel supplier*, provided all penalties are waived; or
- b) the *insured* is unable to travel following rescheduling of an insured *trip* by the *travel supplier*, provided all penalties are waived; or
- c) the *insured* cancels the *trip* before any penalties come into effect.

Important Notes

Premium refunds, regardless of method of payment, must be obtained from the agent where coverage was originally purchased unless purchased directly from TIC.

A full refund will be provided for policies which are recovered within 10 days of purchase, as described in the section titled Right To Examine Policy.

There will be no refund of premium if a claim has been made.

For package plans, no refund will be payable for any portion of the premium if a claim has been made against any benefit included in the package.

Refunds for partial cancellations will be calculated by multiplying the daily premium by the actual number of days the *insured* was out of province; if this amount is less than the minimum premium required for the plan purchased, the minimum premium will be used. This amount is then subtracted from the total premium paid.

Refund amounts less than \$10 will not be issued.
